

# Worksheet – Email Address and Security Questions

---

When you create your Healthcare.gov account, you will need to use your own **email address** for your account username. Write your email address below:

---

My email address

You will also need to select **three security questions** to answer, to verify your identity when you log in to your Healthcare.gov account. Pick three questions from the list below, and answer them on the next page.

- What is your favorite radio station?
- What was your favorite toy when you were a child?
- What is your favorite cuisine?
- What is the name of your oldest niece?
- What is a relative's phone number that is not your own?
- What is the name of your favorite pet?
- Type a significant date in your life?
- In what city was your mother born?
- What is the name of your favorite childhood friend?
- What is your parents' wedding anniversary date?
- What is the name of the manager at your first job?
- What is the nickname of your grandmother?

Write down each security question and your answer below.

My Security Question 1
